

Assembly Instructions MODO Pendants Shades & Accessories

WARNING !

- Read all instructions before installing.
- Turn off power at main switch before installing or modifying the system.
- For installation by a qualified electrician.
- Luminaire is intended for installation in accordance with National Electric Code and local regulations. Consult with local inspector to assure compliance.
- Retain these instructions for future reference.

NOTE

- Use this instruction sheet to assemble the various components of a MODO fixture.
- Refer to the main installation sheet for installation and wiring of the fixture.

BEFORE INSTALLATION SHADE

- Prior to installation the fixture, slide the shade [2] over the cord and aircraft cable and on to the main shell of the fixture [1].
- The shade will rest on three studs [3] at the bottom of the fixture shell [1].

AFTER INSTALLATION OPTIONAL ACCESSORIES

- If the fixture was ordered with optional accessories, such as a center disc [6] or ring [7], the main fixture shell [1] will have small aircraft cable tethers [4, 5] pre-attached.
- Short tethers [4] are used with center discs [6]. Slide each tether through a slot on the edge of the disc. The disc rests on the balls on the ends of the tethers.
- Long tethers [5] are used with rings [7]. Slide each tether through a slot on the edge of the ring. The ring rests on the balls on the ends of the tethers.
